つぎの英文をよく読んで、下線部を和訳しなさい。

Naomi takes the phone anywhere. When she is at home, it even accompanies her to the toilet so that she can answer it immediately.

About 300 phone numbers of people she refers to as friends can usually be found in the phones memory. “When I meet people for the first time, I input their phone numbers,” she said. “When there are a lot of numbers stored in my phone, I feel happy to think that so many people care about me.”
